

The background of the poster is a deep blue space scene. In the upper right, a bright sun or star with multiple rays of light shines. In the lower left, a curved, blue-tinted horizon line, likely representing Earth from space, curves across the frame. The overall texture is grainy and high-contrast.

DEDICATION

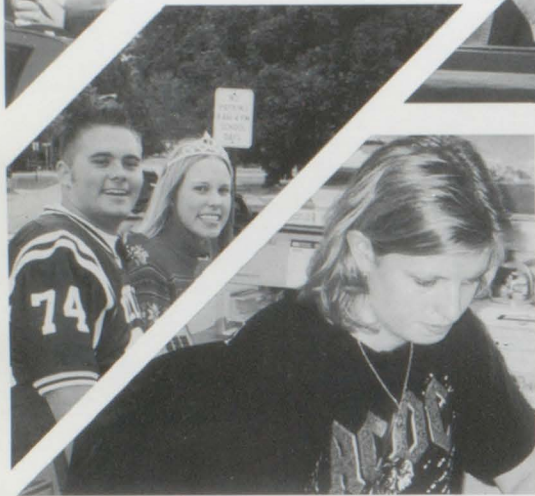

There are always certain teachers that stick out in our minds. These people shaped who we are today, and they shape the people we will become. They will never be forgotten. Mrs. Cynthia Hay is one of those teachers. Whether it was making posters for English, designing pinatas in Spanish, or trying to find creative yearbook ideas, she always knew how to have fun. But what is remembered most was the person she is and the tears that were cried the day she left.

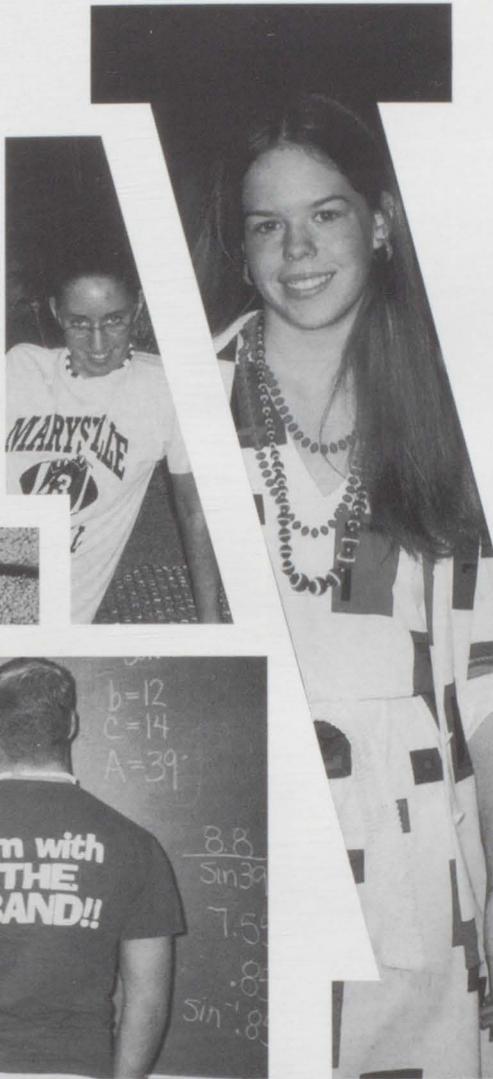

Mrs. Hay was a teacher at Marysville High School for many years. She taught English, Spanish, and Yearbook, but still was a devoted wife and mother. She grew up in this area, graduating from Marine City High School. She went to college at Central and got her masters at Western.

We will always remember a handful of people through our lives. Mrs. Hay is one of those people who will always stand out!

Class Song

"It Was You"

By: Ashley Ballard with So Plush

When I think of what I've been through
I can see that you've always been there for me.
To tell the truth, don't know what I do
Without you, none of my dreams would come true.
You were the one, that I have hoped for
Now my life means so much more
Now we can be together forever
Just you and me, I'm here for you, you're here for me.

Chorus

It was you who showed me I've got a friend in you.
I always knew that you'd be right here for me and
It was you who stuck with me when the skies were blue.
It was you who stayed by my side
It was you.

Since the day, you came in my life
I knew then that you'd be someone right by my side.
Then you proved, you're a friend to me
In my heart, forever you will always be.
You were the one that I have hoped for
Now my life means so much more.
Now we can be together forever
Just you and me, I'm here for you, you're here for me
and I knew it was you...

Chorus 2x

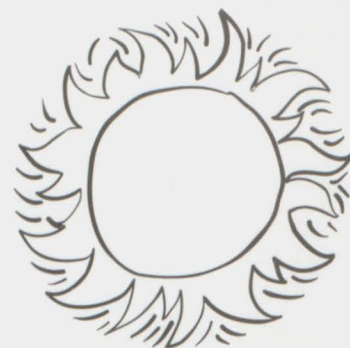

It was you whose always right by my side and
I just can't do it, you helped me through it.
We've been forever, like best friends should be
You'll always be... a special part of me.

It was
It was you...

Chorus

It was you, who showed me I had a friend
I always knew, that you'd be right there
It was you, who stuck with me when skies were blue
and it was you, I knew that I can count on you.

You are a friend in me, yeah...it was you.

The 2000 track team was one of the largest teams that Coach Domke has ever had, with over 50 girls. The team did very well. Top runner Katie Vyncke made it to States for her fourth straight year. Melissa McShane also made it to States for her second year. Coach Domke worked with the sprinters, but also had a lot of help from other coaches: Coach Rogers for the distance girls, Coach Koglin for the Hurdlers, and Coach Meier for the discus and shotput. The girls placed high in every invite and only lost two dual meets. They did very well this year.

The Freshman Girls Softball team had an outstanding season. Not only did they finish 13-1, but they had wonderful team camaraderie and positive attitudes. Each game was a challenge that they were more than up to. According to Coach Radske, "the girls as well as myself had a great season. They worked really hard as a team all season long and came out on top! I really enjoyed getting to know the girls. Individually, they each were a very important aspect of our team. I am looking forward to future years!!!"

Freshman Baseball

Congratulations to the Freshman baseball team! They did exceedingly well this year, defeating Grosse Pointe North's team, which hasn't been defeated in two years. However, they agreed that their Port Huron game was most memorable. They picked up in the 7th inning and it was a fight to the finish, with a victorious ending. Coach Bill Grant said that the thing that made this year's team stand out from the rest was the fact that they were all friends. They were also a really versatile team, which made working together easier. Good job guys!

The "New" Varsity Girls Soccer Team

This year, the Varsity girls soccer team had a new coach, Mr. Jerry Frendt, who stepped in with this tough job. With a new defensive system, the defenders double-teamed their opponents, and used their speed to stop anyone who got close to the goal. And of course, their new motto "What's our motivation girls-HIGH FIVES!!!"

Although their record doesn't show it, the girls really improved this year. They had better skills such as heading the ball, passing to their teammates, being first to the ball, and outsmarting their opponent. Also, on and off the field, the girls had a special closeness.

Nice job girls!!! Congratulations on a great season!!!

This year's Boy's Tennis team was coached by Ray Martin. A total of eighteen boys played for Marysville. About this year's team, Mr. Martin said: "Our team was young this year. We were dominated by freshmen and sophomores. We had four wins and eight losses. We lost to some pretty powerful teams, and next year, it is our turn to return to power."

They were able to capture two tournament titles at the Port Huron and South Lake Tournaments. The Freshmen Vikings were also runner-ups at their Ladywood Tournament. Coach Lindke was extremely pleased with this year's team. "These girls always gave a 100% and were a pleasure to coach. They will be missed greatly next year."

Above: The team is all fired up after a pep talk from Coach Valko.

The Vikings had a rough season this winter. Because they moved up two divisions in the M.A.C. division, the competition was a lot better. "Success is not measured in wins and losses, but by how hard you work and how much you improve as a team," said senior point guard, Erik Schunk. Hard work and improvement helped the Vikings beat big time rival, St. Clair, the second time around, which caused a lot of teams to look at them a little differently. Despite their record, the Varsity Boys basketball team has come out strong game in and game out, and we should be proud of their effort!

Good Job Guys!

SECRETARIES

Our secretaries work hard to fix any problem staff or students may encounter. Without them, the school would not run as smoothly as it does. Whether it is scheduling, attendance, or locker jams, we look to them for assistance and they always come through for us. Thank you for all you do to keep the school going!

Cooks

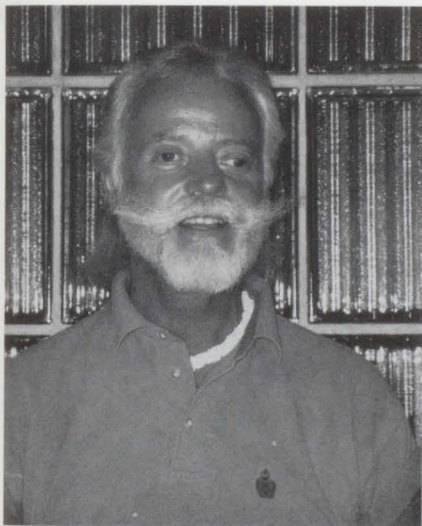

Above: Our kitchen staff stops to take a picture before preparing lunch.

It takes a lot of people to make this school run. With lunch to be prepared, maintenance problems to resolve, and kids to be picked up and dropped off, we are lucky to have such wonderful cooks, custodians, and bus drivers. They keep the kids happy and the school running, which is a difficult job. Thank you for all of your hard work throughout the years.

Music flows from
Your fingers as
Naturally as warmth
Flows from the sun.
Your sweet sound is a
Gift -- humble, sincere
And always form the heart.
Never let anyone take that
From you, but instead, offer
Them a smile, a song, and
Let them share the melodies
And rhythms that so
Inticately make up your soul.

To the "Mac & Cheese" Gang,

You gorged yourself on pretzels until you got sick -
literally.

You played Nintendo until your fingers went numb.

You thought "partying" was drinking a lot of "Surge,"
especially the night before a competition.

You would bring strange and unusual artifacts (other
peoples junk) to my home for creative development.

You once toilet papered my entire yard, bushes, fences,
cars - using MY supply of toilet paper.

Your band once practiced so loud - the neighbors
complained about the music, you were flattered they
called it that.

You were onced chased home by an irrate neighbor
(remember the water balloon?)

You only had your drivers license a few days - and took
out my fence... "crash!"

You were always easy to track down, only had to know
where one of you were - the others were always near
by; that is until you all got girlfriends.

You know who you are...it was fun watching you guys
grow- up,

you were good kids!

We'll miss you all
"Mother"

Jennifer,

You are the apple of our eye

The spring in our step

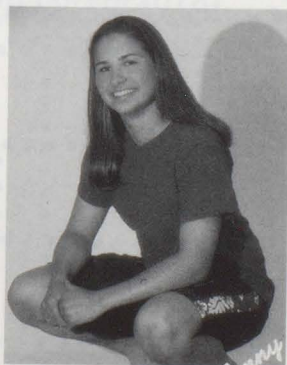

The light of our life

The joy of our heart!

We are so very proud of you

Stay close to God.

*Congratulations,
 Love Dad, Mom, David
 Proverbs 3:5-6*

*"Trust in the Lord with all thy
 heart and lean not unto thine own
 understanding. In all thy ways
 acknowledge him and he shall
 direct thy paths."*

*Kelsey and Korey-
 I recall when you were small,
 How did Korey get so tall?
 Why did time go by so fast?
 Can't we make your childhood
 last?
 Now into life you must go,
 But there is something you must
 know-
 Our Cup Runneth Over
 Love Dad and Mom*

Good Luck Seniors!

Above: Even though they create the yearbook, it doesn't mean they don't like to pose for it as well! Group Shot: Clockwise: Darci Ross, Kelsey Eagen, Courtney Russell, Jessica Wienert, Corey Eagen, Raylene Westbrook, and Jamie Hill.

Above: All smiles for Jeremy Dimick, realizing that his page is almost completed!

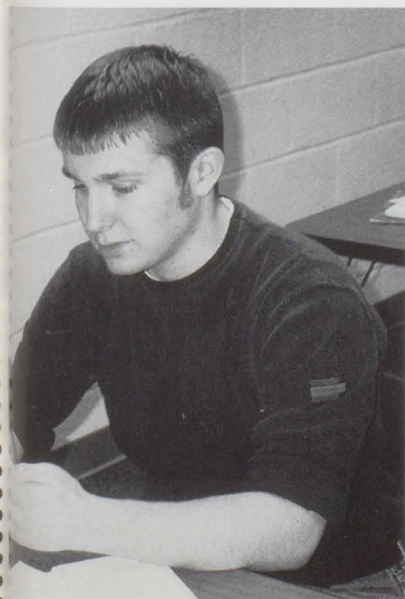

Above: Jessica Wienert intensely works on her deadline. She should know though that gum belongs in the mouth.

Left: This looks like a planned operation. Sheena, Jessica, Chris, and Raylene should try harder to act like they are working.

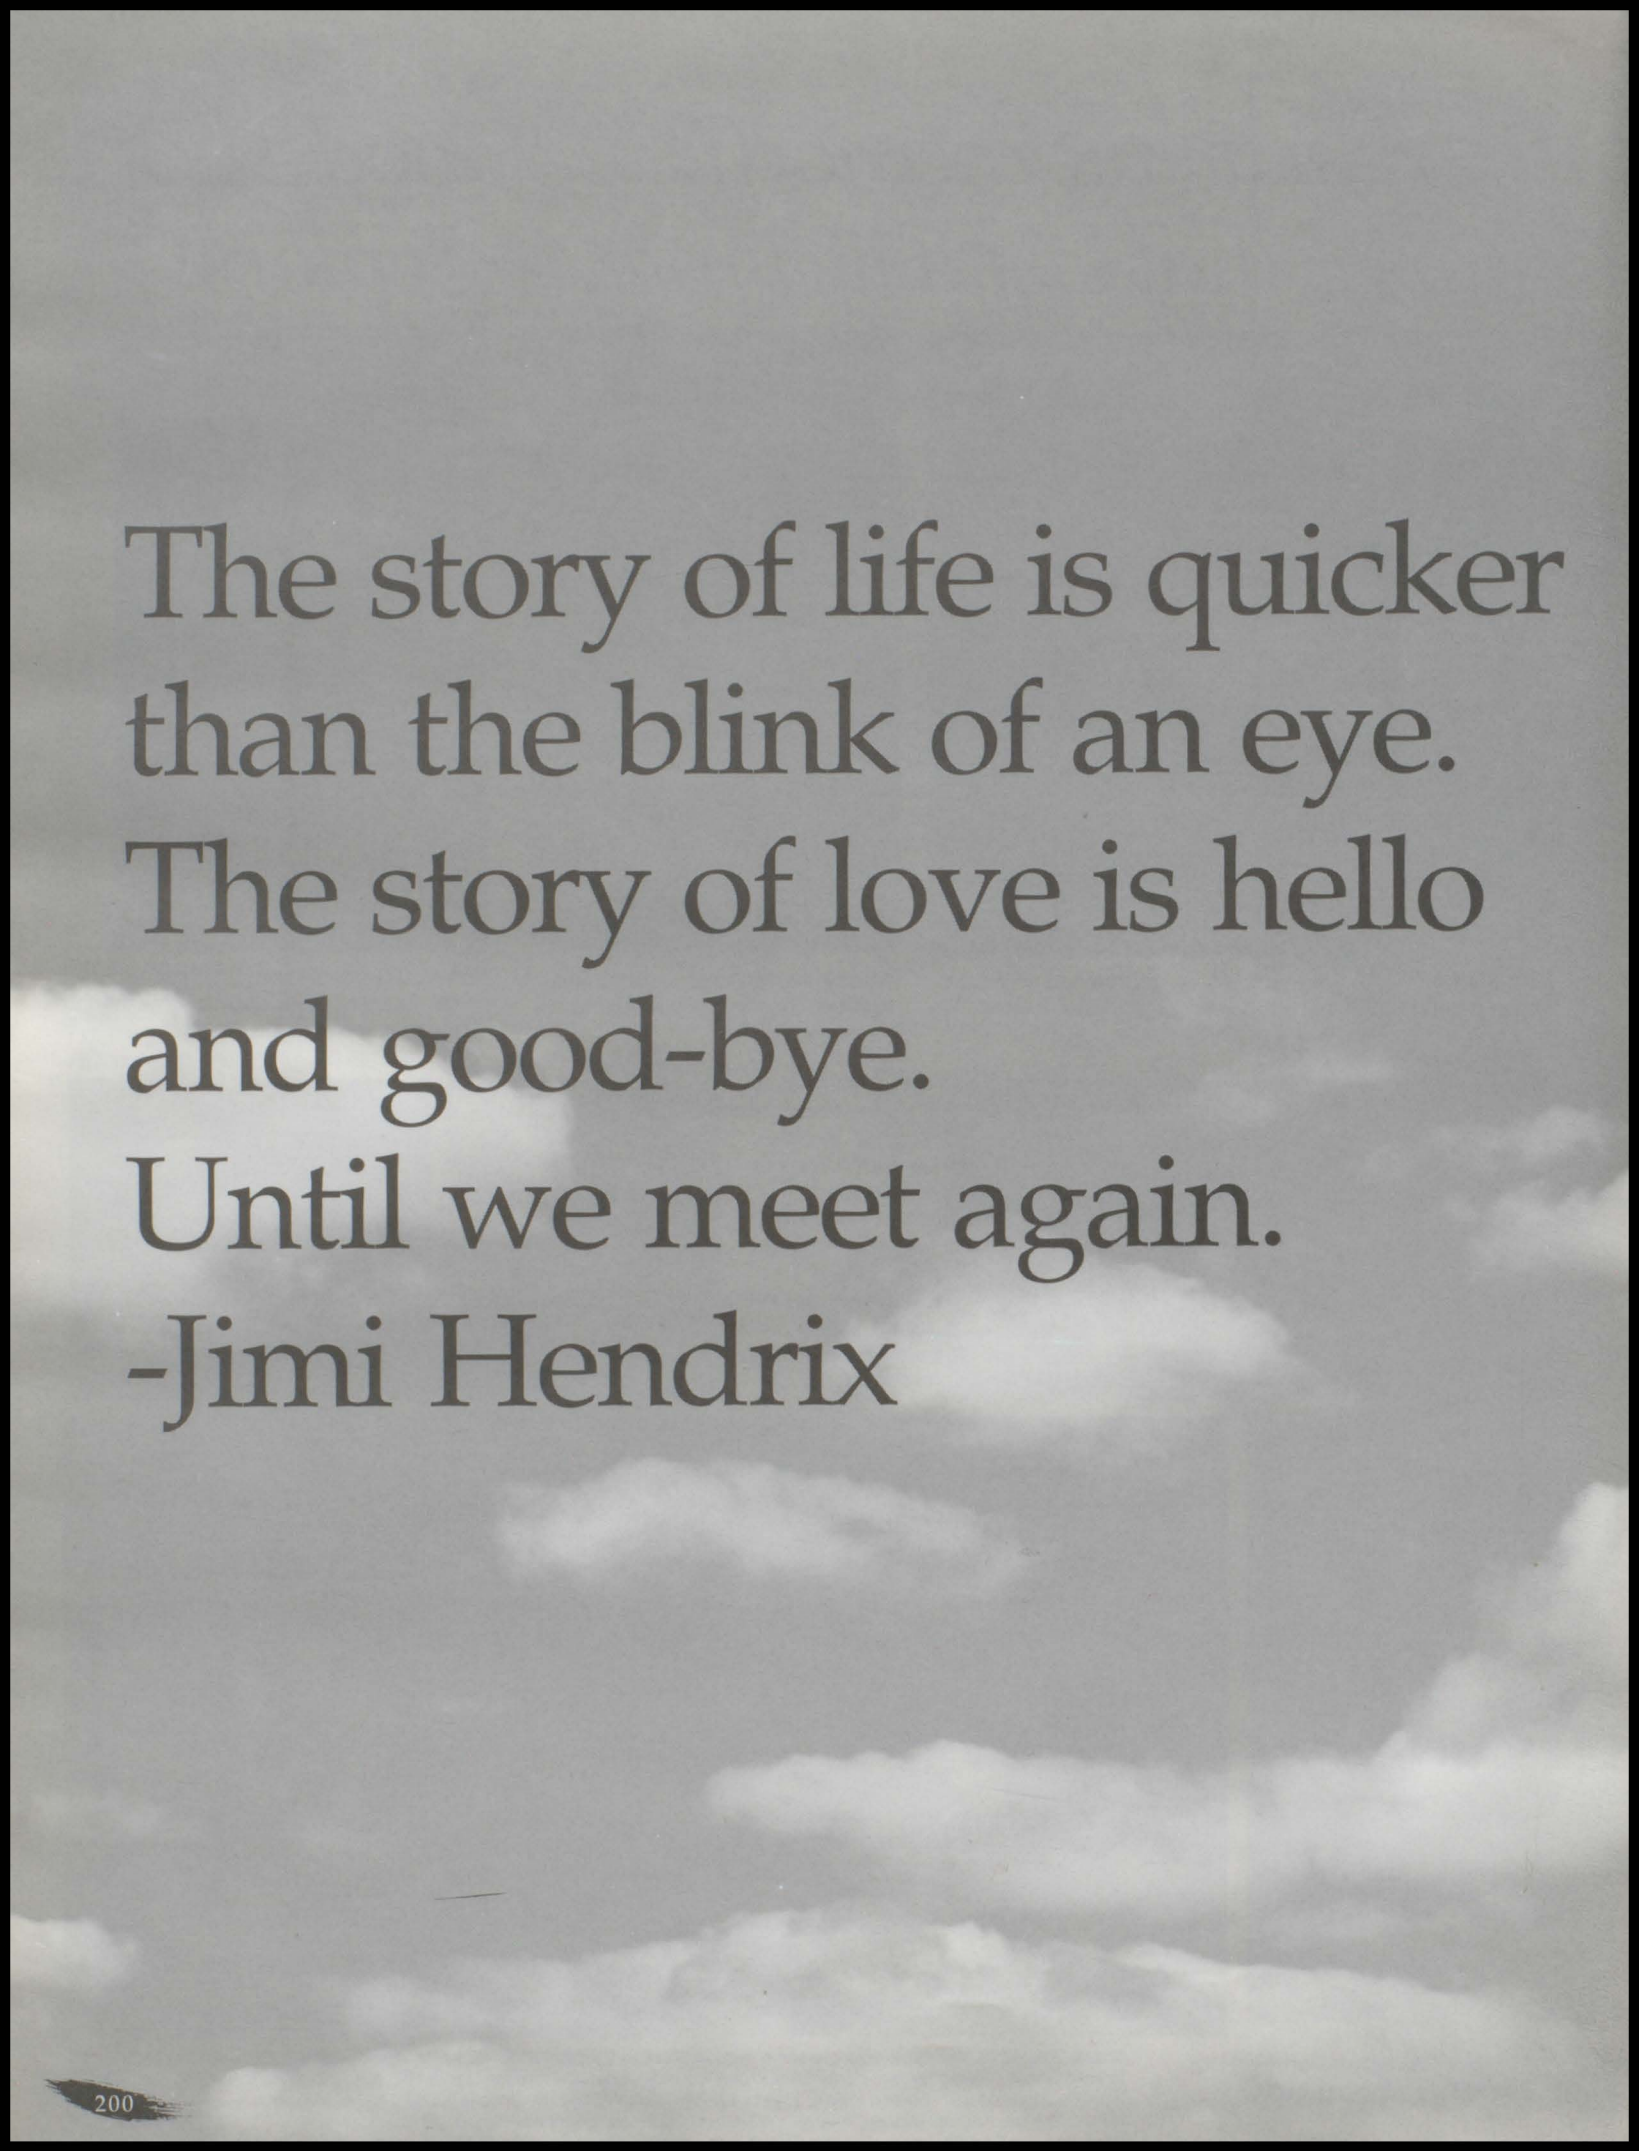

Right: Jillian Sturdevant and Hollie Wilson take a break from pages to relax and smile.

Above: Drew Beaudry concentrates on the task at hand - finishing his yearbook page.

Above: The 00/01 Yearbook Staff members include: Kristine Baldwin, Drew Beaudry, Amber Bechtel, Chris Cooley, Jeremy Dimick, Kelsey Eagen, Corey Eagen, Jen Gourlay, Amanda Hayman, Jamie Hill, Jon Huber, Tom Johnson, Mark Jones, Lourean Kakos, Krystal Kenaya, Dave Kingsbury, Sheena Loxton, Val Mansour, Jessica Markel, Andrea Maurey, Andrea McGrath, Darci Ross, Courtney Russell, Jill Sturdevant, Stephanie VanTroostenberge, Raylene Westbrook, Jessica Wienert, Tiffany Williams, Hollie Wilson, and Stef Winzeler.

The story of life is quicker
than the blink of an eye.
The story of love is hello
and good-bye.
Until we meet again.
